This Product is collateralised in accordance with the terms and conditions of the TCM Security Agreement for Triparty Collateral Management Secured Structured Products ("TCM Secured Structured Products"). More detailed information regarding the collateralisation can be found in the section ["Information about TCM-Collateralisation"](#) below. Investors should read the section "Significant Risks" below as well as the section "Risk Factors" of the relevant Issuance and Offering Programme, as amended from time to time. By investing in this product (the "Product"), the Investor may put the capital that he invested in this Product at risk and, in addition, transaction costs may incur. Investors may lose some or all of their capital invested in the Product as well as transaction costs. Investors are exposed to the credit risk of the Issuer. Even though translations into other languages might be available, only the English version of the Final Terms and the relevant Issuance and Offering Programme are legally binding. Until the Initial Fixing Date, the terms of this Termsheet are indicative and may be adjusted anytime. The Issuer is not obliged to issue the Product.

For Switzerland:

This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to article 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes ("CISA") and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority FINMA. Investors do not benefit from the specific investor protection provided under the CISA.

This document constitutes advertising within the meaning of article 68 of the FinSA.

This document is an indicative termsheet prepared in view of the issuance of the Products and neither a prospectus within the meaning of article 35 et seqq. of the Swiss Federal Act on Financial Services ("FinSA"), nor a private placement documentation, nor a basic information document according to article 58 et seqq. of the FinSA or any equivalent document under the FinSA. The information contained in this document is not complete and is subject to completion and amendment. This document has neither been reviewed nor approved by a reviewing body pursuant to articles 51 et seqq. FinSA. This document does not, and is not intended to, constitute or contain an offer or invitation to sell, and it is not soliciting offers to buy, the Product in any jurisdiction where such offer or sale is not permitted.

This Termsheet is a non-binding summary of the economic terms of the product and does not purport to be exhaustive. It is an advertisement document in the sense of swiss law in relation to the product and is provided for information and discussion purposes only. It does not constitute or imply any offer, solicitation or commitment on the part of the Issuer. This Termsheet is neither a prospectus nor a key information document within the meaning of the Swiss Federal Act on Financial Services (FINSA). The binding terms and conditions of the product will be set out in the Final Terms or Pricing Supplement, as applicable (the "Issue terms") which amends and supplements the terms and conditions in the Base Prospectus. Investors must read all of these documents and copies thereof are available from the Lead Manager.

For EEA:

In the European Economic Area (EEA) this product may only be offered to qualified investors as defined in the Prospectus Regulation or in any other circumstances falling within Article 1(4) of the Prospectus Regulation, provided that no such offer shall require the publication of a prospectus or supplement pursuant to the Prospectus Regulation.

Product Description

This Product offers the Investor a periodic opportunity to receive a Conditional Coupon Amount (with memory effect). In addition, the Product can also be early redeemed if the relevant conditions are met on any of the pre-defined Autocall Observation Dates. If no Early Redemption and no Barrier Event have occurred, the Investor will receive on the Redemption Date a Cash Settlement equal to the Denomination. If a Barrier Event has occurred, the redemption of the Product will depend on the value of the Underlying with the Worst Performance, as described in section "Redemption".

If any of the above-mentioned Autocall/Coupon Observation Dates is not an Exchange Business Day for an Underlying, the next following Exchange Business Day for that Underlying shall be the respective Autocall/Coupon Observation

Date. General Terms and Conditions apply also to the Autocall/Coupon Observation Dates as if they were Final Fixing Dates. If any of the above-mentioned Early Redemption or Coupon Payment Dates is not a Business Day, the next following Business Day will apply. For the avoidance of doubt, a Coupon Payment Date will never be later than the Early Redemption Date.

REDEMPTION

Provided that no Early Redemption has occurred on one of the previous Autocall Observation Dates, the Investor is entitled to receive the Conditional Coupon Amount(s) on the relevant Coupon Payment Date(s), subject to the Conditional Coupon Amount provisions.

Provided that no Early Redemption has occurred on one of the pre-defined Autocall Observation Dates, the Investor is entitled to receive from the Issuer on the Redemption Date per Product:

Scenario 1	If a Barrier Event has NOT occurred, the Investor will receive a Cash Settlement in the Settlement Currency equal to: Denomination
Scenario 2	If a Barrier Event has occurred, the Investor will receive a Cash Settlement in the Settlement Currency according to the following formula: Denomination × Worst Performance

Initial Fixing Level	Official close of the respective Underlying on the Initial Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Final Fixing Level	Official close of the respective Underlying on the Final Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Worst Performance	For each Underlying the performance is calculated by dividing its Final Fixing Level by the respective Initial Fixing Level. The Worst Performance corresponds to the lowest of all so calculated values, as determined by the Calculation Agent.
Barrier Event	A Barrier Event shall be deemed to occur if at least one of the Underlyings' Final Fixing Levels is below the respective Barrier Level, as reasonably determined by the Calculation Agent.
Early Redemption	Provided that on one of the pre-defined Autocall Observation Dates the official close of all Underlyings is at or above their Autocall Trigger Level an Early Redemption will occur and the Product will expire immediately. The Investor will receive on the relevant Early Redemption Date a Cash Settlement which equals the Denomination. No further payments will be made.
Coupon Trigger Event	A Coupon Trigger Event shall be deemed to occur, if on any Coupon Observation Date all Underlyings close at or above their respective Coupon Trigger Level, as reasonably determined by the Calculation Agent.

PRODUCT DOCUMENTATION

It is intended that the Products will be issued under a base prospectus ("Base Prospectus") as per article 45 FinSA approved by SIX Exchange Regulation AG ("SIX Exchange Regulation") in its capacity as Swiss Prospectus Office. Only the Final Terms, which will be available no later than on the Issue Date, together with the Base Prospectus of the relevant Issuance and Offering Programme (the "Programme") dated [X] containing all further relevant terms and conditions, shall form the entire and legally binding documentation for this Product ("Product Documentation"). The Final Terms will be registered with SIX Exchange Regulation in its capacity as Swiss Prospectus Office. The Final Terms should always be read together with the Base Prospectus. Definitions used in this Termsheet, but not defined herein, shall have the meaning given to them in the Final Terms and the Base Prospectus. Even though a translation into other languages might be available, only the English version of the Final Terms jointly with the Base Prospectus are legally binding.

The Products may be offered, sold or advertised, directly or indirectly, in Switzerland to retail clients (Privatkundinnen und -kunden) in the meaning of the FinSA ("Retail Clients") in accordance with the FinSA.

A Swiss key information document / key information document in accordance with Regulation (EU) No 1286/2014 (PRIIPs Regulation) has been prepared in relation to the Products and may be obtained, free of charge, upon request from the Lead Manager (see the contact details below).

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on the relevant Termsheet on www.leonteq.com under the section "Products" or, for listed products, in any other form as permitted by the rules and regulations of the relevant Exchange. Notices to Investors relating to the Issuing Parties will be published under the section "About Leonteq" on www.leonteq.com and/or on the web page of the respective Issuing Party.

Insofar as this publication contains information relating to a Packaged Retail and Insurance-based Investment Product (PRIIP), a Key Information Document in accordance with Regulation (EU) No 1286/2014 (PRIIPs Regulation) is available and can be obtained from www.priipkidportal.com.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), via telephone (+41 58 800 1111*), fax (+41-(0)58-800 1010) or via e-mail (termsheet@leonteq.com). Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

SIGNIFICANT RISKS

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product as well as the transaction costs. Prospective Investors shall consider the following important risk factors and read the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for their portfolio taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Product Specific Risks: To the extent that this Product is not capital protected, investors may lose some or all of their investment as well as the transaction costs as they are fully exposed to the performance of the Underlyings. The Product does not confer any claim to receive rights and/or payments of the Underlying, such as dividend payments, unless explicitly stated in the documentation governing the Product. Please refer to the Product Documentation as regards the further Product specific risk factors to be taken into account.

Issuer Risk: Investors are exposed to the credit risk of the Issuer. If the Issuer is not able to make a payment or becomes insolvent, investors could lose some or all of their investment.

Market Risk: Market risk may have a negative impact on the value of and the return on an investment in the Product. Market risk is the risk associated with the effect of changes in market factors such as interest and foreign exchange rates, equity and commodity prices, credit spreads or implied volatilities, on the value of assets and liabilities held for both the short and long term. Market risk may also lead to an early redemption of the Product (e.g. in the event of a hedging disruption).

Liquidity Risk: The Issuer or, as the case may be, the guarantor or a third party appointed by the Issuer or guarantor, if any, intends to act as market maker in relation to the Product and it will use commercially reasonable efforts to provide indicative bid and offer prices for the Product on a regular basis under normal market conditions. However, such market maker does not have an obligation to provide prices for the Product. Liquidity of the Product in the secondary market may be limited and an active trading market for the Product may not develop. Accordingly, investors may not be able to sell their Product.

Currency Risk: If the investor's reference currency is different from the currency, in which the Product is denominated, the investor bears the currency risk between the two currencies. The fluctuations in exchange rates could have an adverse effect on the value of or return on an investment in the Product, even if the redemption amount would otherwise provide for a positive return. If the Underlyings are calculated in a currency different from the Currency of the Product, the conversion into the Currency of the Product will be carried out at the relevant exchange rate.

Early Termination and Reinvestment Risk: The Product may be redeemed prior to its maturity (be it by declaration of the issuer or as a result of certain events specified in the terms of the Product) and investors must consider that in case of such an early redemption, investors will not receive any further coupon payments after the occurrence of the early redemption and the early redemption amount may be significantly below the issue / purchase price paid and the redemption amount payable at maturity. Investors may not be able to reinvest the early redemption amount in a financial instrument with the same profit potential and additional transaction costs may be incurred as a consequence of a reinvestment of the early redemption amount.

Illiquidity of Underlying: One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.

ADDITIONAL INFORMATION / DISCLAIMER

Prudential Supervision

Leonteq Securities AG is authorised as securities firm and subject to prudential supervision by FINMA. Leonteq Securities AG, Guernsey Branch is regulated by the Guernsey Financial Services Commission ("GFSC").

Conflict of Interests

The Issuing Parties and/or the Lead Manager and/or any third party appointed by them, as the case may be, may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market as well as be active on both sides of the market at the same time in any securities, currencies, financial instruments or other assets underlying the products to which this document relates. The Issuer's and Lead Manager's and/or the appointed third party's trading and/or hedging activities related to this transaction may have an impact on the price of the Underlying and may affect the likelihood that any relevant Barrier Level, if any, is reached.

Payment of a Coupon

If the Product stipulates the Payment of a Coupon, the Investor is only entitled to receive the respective coupon payment, if he has purchased/not sold the Product at the latest on the Business Day preceding the respective Coupon Ex-Date for the then prevailing price.

No Offer

The indicative Termsheet has been prepared for discussion purposes only. It is not an offer to buy the Product described within or enter into any agreement. Neither the Issuer nor any of their officers or employees is soliciting any action based upon it. The Final Termsheet is subject to further discussion and negotiation and also subject to internal approval.

No Representation

The Issuer and/or Lead Manager makes no representation or warranty relating to any information herein which is derived from independent sources. Furthermore, the Issuer makes no representations as to (i) the suitability of the Product for any particular Investor and (ii) the appropriate accounting treatment or possible tax consequences of investing in the Product or (iii) the future performance of the Product either in absolute terms or relative to competing investments.

No Advice

This Termsheet should not be construed as investment, financial, strategic, legal, regulatory, accounting or tax advice. It does not take into account the particular investment objectives, financial situation or needs of individual Investors. Certain transactions, including those involving futures, options and high yield securities, give rise to substantial risk and are not suitable for all investors. Accordingly Investors should consider whether the Product described herein is suitable for their particular circumstances and should consult their own accounting, tax, investment and legal advisors before investing. The Issuer does not accept any responsibility to update any opinions or other information contained in this Termsheet.

INFORMATION ABOUT TCM-COLLATERALISATION

Triparty Collateral Management Secured Structured Products ("TCM Secured Structured Products") are structured products with a reduced issuer risk. This protection is provided by means of a collateral pledge. Investors thus profit from increased protection on the invested capital.

The Collateral Provider has entered into the Security Agreement on 12 December 2013 ("Security Agreement") and TCM Secured Structured Products are collateralized in accordance with the terms of the Security Agreement. The Collateral Provider will provide collateral to secure the value of TCM Secured Structured Products, whereby such collateral can consist among others of the securities that are the direct or indirect underlying's of the TCM Secured Structured Product.

The legal position of the Investors and of all involved parties in relation to the collateralization of the TCM Secured Structured Product is determined by the provisions of the Security Agreement. The Issuer shall, upon request, provide the Security Agreement to the Investors free of charge. A copy of the Security Agreement may be obtained from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), or via telefon (+41 58 800 1111*), fax (+41-(0)58-8001010) or email (termsheet@leonteq.com). Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

More detailed information regarding TCM-Collateralisation can also be found in the Programme.

The costs with respect to the collateralization of TCM Secured Structured Product as well as the borrowing costs of the products collateral may be taken into account for the pricing of TCM Secured Structured Product and may therefore be borne by the Investors, as the case may be.

The payment to the Investors in case of a so called Realization Event may be delayed for factual or legal reasons.

To the extent the calculation of the current value of a TCM Secured Structured Product as published daily by the Collateral Provider on SIX Financial Information proves to be incorrect, the collateralization of the TCM Secured Structured Product may be insufficient.

This TCM Secured Structured Product does not constitute collective investment schemes pursuant to the Federal Act on Collective Investment Schemes (CISA) and do not require authorization or supervision by the Swiss Financial Market Supervisory Authority FINMA.

SELLING RESTRICTIONS

No action has been or will be taken to permit a public offering of the Products or possession or distribution of any offering material in relation to the Products in any jurisdiction, where such action for that purpose is required. Consequently, any offer, sale or delivery of the Products, or distribution or publication of any offering material relating to the Products, may only be made in or from any jurisdiction in compliance with applicable laws and regulations not imposing any obligations on the Issuing Parties or the Lead Manager. Possible limitations resulting from legal restrictions with regard to cross-border communication and cross-border business concerning the Products and related information remain reserved.

Most important jurisdictions where the Products may not be publicly distributed are EEA, UK, Hong Kong and Singapore.

The Products may not be offered or sold within the United States or to, or for the account or benefit of US persons (as defined in Regulation S).

Detailed information on Selling Restrictions is published in the Programme which is available on www.leonteq.com and can be ordered free of charge from the Lead Manager.

EEA

Each purchaser of the Products represents and agrees that it has not made and will not make an offer of the Products to the public in any Member State of the European Economic Area (each, a "Member State") prior to the publication of a prospectus in relation to the Products which has been approved by the competent authority in the relevant Member State or, where appropriate, approved in another Member State and notified to the competent authority in the relevant Member State, all in accordance with the applicable law, and the Issuer has consented in writing to the use of the prospectus for the purpose of that offer, except the purchaser may make an offer of Products in that relevant Member State:

- solely to legal entities which are qualified investors as defined in the Prospectus Regulation,
- at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the Lead Manager; or,
- in any other circumstances falling within Article 1(4) of the Prospectus Regulation,

provided that no such offer of Products shall require the Issuer or the Lead Manager to publish a prospectus pursuant to Article 1 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, the expression an "offer of Products to the public" in relation to any Products in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Products to be offered so as to enable an investor to decide to purchase or subscribe the Products.

INFORMATION ON ESG SCORES

The ESG (Environmental, Social and Governance) score measures the respective Underlying's ESG performance based on reported data in the public domain. The ESG score range is divided into four quartiles from A to D (A being the top performing quartile) and each of the quartiles is further subdivided into three groups indicating if the respective Underlying is in the top ("+") or bottom third ("-") of the relevant quartile. In total, there are 12 ESG scores ranging from A+, A, A- to D+, D and D-.

The ESG score is calculated and published by Refinitiv. More detailed information about the score calculation methodology is available on www.refinitiv.com. Refinitiv does not sponsor, promote, or in any way evaluate the advisability of investing this Product.

The Issuer, the Lead Manager and/or any third party appointed by the Issuer does not guarantee the exactitude of any ESG scores. The ESG scores of the Underlying(s) may change during the lifetime of the Product but are not subject to adjustments in this document. Leonteq's ESG logo and any reference to the term "ESG" in relation to the Product does not imply any evaluation of the sustainability of the Product by the Issuer, the Lead Manager and/or any third party.
